Functional designs with attached Granny Flats

Introducing this design range, the Sorrento. Drawing its inspiration from the successful Solante range, but created to offer a variety of living spaces for families looking for homes with self-contained Granny Flats. This range features the Granny Flat tucked neatly behind the garage.

Throughout this brochure, you will notice that the Granny Flat space has been outlined. This is so you can choose which Granny Flat suits your needs best.

The Sorrento design is on display at HomeWorld Thornton. It is on display with the Urban façade and with our popular Advantage package. Feeling like a road trip? This display is open 7 days from 10am to 5pm.
