- DOUBLE STOREY -

SIERRA - WHEN SIZE COUNTS, THIS IS A MUST SEE

A double storey design that is simply larger than life.

Our Sierra range is a double storey design created for those families who crave space in their new home. If you are looking for designs over 40 squares, then this range is just for you.

This design range boast impressive sized bedrooms, large open-plan living spaces both to upstairs and downstairs, ample bathrooms to accommodate such an oversized home and not to mention the fantastic entertaining alfresco with an optional upgrade to the grand-sized alfresco.

The Sierra is on display at HomeWorld Box Hill and showcases the 'Lodge' façade. So much can be said about this new design, that in order to really appreciate the sheer size an inspection is simply a must.

There are many reasons to be impressed with the Sierra, grand but also adaptable to suit the needs of ever-growing families, this range of designs may suit the needs of families who require suitable accommodation for families who care for other relatives. The Sierra range is certainly one to look at.

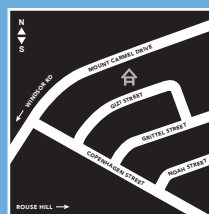

Have you heard about our 'Aspire' options. Simply choose which options you would like to add to your home. Take one, or take them all. These options have been created with you in mind, so you can build your home, your way to suit your lifestyle.

In choosing an Allworth Home you will have the benefit of 40 years master built experience. We have mastered the planning and building process, honed to a point, being recognised as one of the most efficient builders in New South Wales.

Whether your family is small or large, we understand that all customers are different and all have distinct lifestyle needs. With many home designs to choose from, you'll be sure to find what you are looking for at Allworth Homes.
