- DOUBLE STOREY -

Double storey designs that will spark your interest

Our Vermont range is a double storey design created for families who like a full flowing home, whilst needing a design to fit on 'Zero' lots. If you are looking for designs with loads of space, then look no further - this design is a must-see.

There are many reasons to be captivated with the Vermont, open and spacious but also adaptable to suit the needs of today's ever-growing families, this range of designs definitely ticks off the boxes for most families today.

Functional, open and roomy are three keywords to best describe this home. On display at Housing World Wongawilli and HomeWorld Marsden Park, you will be amazed at all this home has to offer. An entertainer's dream featuring large open galley style kitchen in the heart of the home, along with a separate study and media room. A huge walk-in pantry with powder room opposite the laundry gives you many necessities before you even head upstairs. The master bedroom features a great-sized ensuite with double vanity and walk-in robe.

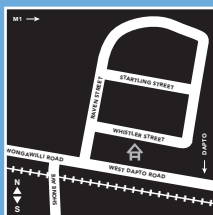

Have you heard about our 'Aspire' options? Simply choose which options you would like to add to your home. Take one, or take them all. These options have been created with you in mind, so you can build your home, your way to suit your lifestyle.

In choosing an Allworth Home you will have the benefit of 40 years master built experience. We have mastered the planning and building process, honed to a point, being recognised as one of the most efficient builders in New South Wales.

Whether your family is small or large, we understand that all customers are different and all have distinct lifestyle needs. With many home designs to choose from, you'll be sure to find what you are looking for at Allworth Homes.
