Fall in love with the style of the Hampton range

The Hampton range has everything the family needs to live in comfort and style, and with a variety of designs including a deluxe kitchen layout, the Hampton is still offering families a great solution when looking for their perfect home design.

The open plan living, kitchen and dining area is built with practicality in mind, and parents can unwind in their spacious master suite. The walk in robe is fit for a queen and the double ensuite has so much room to move! Backing on to this area is the outdoor alfresco dining area where you'll spend so much time entertaining and enjoying BBQs with the family. The spacious media room is close to the rest of the bedrooms which will keep the kids entertained for hours. You'll never want to leave this home – it has it all!
