SENZA - ONE OF YOUR FAVOURITES

SENZA-tional range of designs popular with modern families.

Our Senza design range has drawn its inspiration from the successful string of designs from the Sebring and Carlisle ranges, but with its own individual style, making it stand apart from the rest.

With generous-sized bedrooms and large open-plan living spaces, the Senza range gives modern families a variety of living / entertaining zones that can sometimes be an afterthought when deciding on the right design for your family home.

The Senza range is gaining momentum in popularity, and we now have this design on display at various locations. We have two homes on display at HomeWorld Leppington and HomeWorld Box Hill, at which both designs fit best on 12.5m blocks. Perfect for those wanting to maximise their living space even on a narrower block.

The designs on display at HomeWorld Warnervale, HomeWorld Thornton, HomeWorld Marsden Park and Housing World Wongawilli showcase fantastic features like four bedrooms, a large media room, an alfresco area with great sized family room and a functional kitchen, so it's no wonder that this design is rising in popularity.

Our Aspire options are growing in popularity and have been created with you in mind, so you can build your home your way to suit your lifestyle.

In choosing an Allworth Home, you will benefit from 40 years of master-built experience. We have mastered the planning and building process, honed to a point, being recognised by families in NSW to be one of the most efficient builders in New South Wales.

Take a look through our new look brochure and talk to one of our friendly New Home Consultants.
