

Trenton *Designs*

- SINGLE STOREY -

With so much space, this design will surely spoil your family.

The Trenton range will have you coming home every day with a spring in your step. Be greeted in the large spacious foyer, which takes you through the rest of the home.

The master bedroom showcases a large bedroom with a walk-in robe and private ensuite. Immerse yourself with your favourite movie in the media room with sliding doors to close yourself off to the rest of the home.

The kitchen and living space has an abundance of natural light flowing through the area. You will feel right at home in this functional space. When entertaining, open the doors which spill out onto the large alfresco area, increasing your entertaining space more.

Each bedroom has a walk-in robe. Yes, you read that right. Plenty of room for the entire family. There is so much to appreciate with this design.
