# A modern take on living that appeals to many families

Our Esperance range is a new double-storey design created for families who want space in their new home. This range is a must-see if you are looking for designs over 40 squares.

This design offers impressive-sized bedrooms, large open-plan living spaces both upstairs and downstairs, and ample bathrooms to accommodate such a large home. Love to entertain? This beautiful design also features a grand-sized alfresco that flows into a functional family zone.

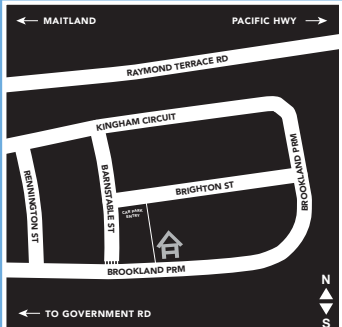

The Esperance is on display at our newest location HomeWorld Thornton and showcases the 'Hampshire' façade. Also featuring our Aspire Options paired with our optional Advantage package and showcasing our Luxe bathroom and ensuites. So much can be said about this new design that appreciating the sheer size of this home, an inspection is simply a must.

Our Aspire options are optional items that you might like to add to your new home. Take one, or take them all. These Aspire options have been created with you in mind, so you can build your home your way to suit your lifestyle.

There are many reasons to be impressed with the Esperance; elegant but adaptable, it will suit the needs of many ever-growing families. If you need accommodation for families caring for other relatives, this design is undoubtedly one to look at.
