- DOUBLE STOREY -

A beautiful design that will appeal to many lifestyles

Our Mornington design is a new double-storey created for families who want to capitalise on the space with a minimal block of land.

It boasts four spacious bedrooms, large open-plan living spaces upstairs and downstairs, and a gorgeous master bedroom with a 'Luxe' ensuite and a massive walk-in robe. The family, dining and Alfresco areas combine to make a functional entertaining space that will impress your guests.

This design is a must-see and is currently on show at our display homes in HomeWorld Leppington with the 'Hampshire' façade.

While also featuring our Aspire Options paired with our optional Advantage package and showing off a 'Luxe' kitchen and ensuite.

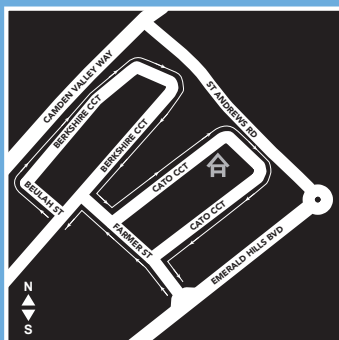

Our Aspire options are optional inclusions you want to add to your new home. Take one, or take them all. Created with you in mind, you can build your home to suit your lifestyle.

There are many reasons to be impressed with the Mornington; innovative yet versatile, it will suit the needs of many ever-growing families. If you need accommodation for families caring for other relatives, this design is undoubtedly one to inspect.
